

# High quality products for shipbuilding and sub suppliers

Get to know our selection of premium solutions which are perfect  
for marine related applications

Part No. 80260 – 1l bottle, 80261 – 5 l can

## MULTI CLEANER

Multifunctional cleaning agent for a wide variety of fabrics and plastics

### BENEFITS

- ✓ Water-based – will not damage painted surfaces
- ✓ Spray on, wipe off or rinse with water
- ✓ Can be diluted with water for lightly soiled surfaces
- ✓ Excellent for vinyl interiors and fenders on boats

Part No. 84909 – 750 ml aerosol, 85964 – 500 ml aerosol can

## NEW ALL PURPOSE FOAM CLEANER

All-round cleaning foam ideal for vertical surfaces

### BENEFITS

- ✓ Non-staining and leaves no residue – ensures a streak-free cleanliness
- ✓ Fast cleaner – aerosol application with quick drying action
- ✓ Strong degreasing power with no silicones

Part No. 34961 – 1 l can, 34962 – 5 l can

## BLUE GREASE

A high temperature, waterproof multipurpose grease

### BENEFITS

- ✓ Salt water and high pressure resistant
- ✓ Contains rust and corrosion inhibitors
- ✓ Excellent temperature resistance – works in extreme operating conditions
- ✓ Ideal for anchor chain reels, sailing reels, prop shafts and helm connections

Part No. 83726 – 400 ml aerosol

## RUSTY PENETRANT

A fast working multipurpose rust penetrant with graphite particles

### BENEFITS

- ✓ Releases bolts, screws etc which are corroded or rusty
- ✓ Protects bright metals against atmospheric acidity and salts
- ✓ Contains graphite – leaves lubricating film to reduce chances of "bolt shear"
- ✓ Handy aerosol application – no mess or waste

products suitable for any  
related application

Bonding & Sealing

Part No. 34452 – 290 ml cartridge (black),  
86526 – 600 ml sausage (black),  
Cartridge: 34453 (brown), 34454 (white) etc.

## ROTABOND 2000

A universal and flexible  
MS adhesive sealant

### BENEFITS

- ✓ Reliable adhesive and sealant for many years
- ✓ Primerless – simple and time-saving surface preparation
- ✓ No solvents or isocyanates – can be over painted after skin forming
- ✓ Long resistance against fresh and salt water

Part No. 84501 – 290 ml cartridge (white),  
84502 – 290 ml cartridge (black),  
84535 – 600 ml sausage (black)

## ASSEMBLY ADHESIVE

A one-component MS Polymer  
construction adhesive

### BENEFITS

- ✓ High quality marine product – long resistance against fresh and salt water
- ✓ Long Open Time – ideal to assemble large components
- ✓ Excellent adhesion – no primer required
- ✓ Solvent and isocyanate free – no toxins, safe to use

Part No. 83975 – 5 l can, 83977 – 200 l drum

## FUEL GUARD 2

Multi-functional petrol and  
diesel fuel detergent

### BENEFITS

- ✓ Protects against engine problems due to poor fuel quality and water contamination in fuel tanks
- ✓ Cleans injectors and fuel system
- ✓ Providing lubrication and anti corrosion protection
- ✓ Stabilises fuel during lengthy winter lay ups

Part No. 86594 – 1 l can, 86595 – 5 l can

## DIESEL ANTI WAX 2

A multi-functional treatment  
for diesel fuels and bio-diesel

### BENEFITS

- ✓ Prevents diesel 'waxing' at low temperatures, down to -28 °C
- ✓ Disperses and emulsifies water contamination and deposits
- ✓ Cleans valve and injectors – improves engine efficiency

Cleaning with Additives

# KENT is the optimal choice

As one of the world's leading suppliers, we provide highly efficient chemical products used for cleaning, care, repair and maintenance.

Our products are tested and certified to the highest standards and generate real added value for our customers: they provide visibly and measurably better results, more efficient work and thus savings and they help our customers to generate new business. KENT provides you with the best products for your applications! Challenge us: In addition to the quality of our products, our customers value above all our highly qualified direct sales specialists, who demonstrate the functionality, advantages and added value of our solutions and products on site.

You can put the products through their paces together with us.

Certified quality you can trust in

NSF International is an independent, non-profit, conformity assessment organisation for products and systems related to public health and the environment.

Lloyd's Register is a global independent services company. Their services include auditing, certification and training in management systems according to international standards and guidelines.

KENT Fuel Guard 2 additive: a performed emission test according to the test criteria of 70/220/EEC (as amended by 2003/76/EC) showed a decrease of the exhaust emissions (CO, HC) by application of the recommended dose.

DNV GL is a global quality assurance and risk management company providing classification, technical assurance, software and independent expert advisory services to the maritime, oil & gas, power and renewables industries.
