

Lubricone

A 100% pure silicone grease for lubricating or protecting electrical components.

Part N°: 34400 Lubricone 500ml Aerosol

Features

- * No fatty acids or solvents
- Does not run
- Leaves a greasy film
- High dielectric breakdown voltage
- Will not dry out or harden
- Lubricates & feeds rubber
- Water resistant
- Resists UV

Benefits

- Will not harm rubber, plastic or nylon
- Stays where it is applied
- Isolates & protects against moisture & oxidation
- Prevents arcing on electrics
- Provides protection under most adverse conditions
- Promotes longer life on rubber components
- Will not wash off
- Prevents weather-strips cracking

Applications

Mainly used as a protection for electrical connections, Lubricone is suitable for coating terminals prior to assembly, therefore providing permanent protection against water penetration and oxidation. Being 100% pure silicone, with no bulking agents, it is totally safe on sensitive materials such as Plastic & Nylon connection blocks. It is also a 1st class lubricant.

Instructions

1. Shake can well before use
2. Spray directly on to the area where the coating is required.

Technical Information

Part N°:	34400	Volts =	1 x 1013 Ohm/cm
Description:	Lubricone, 500ml aerosol	Dielectric strength :	14.7KV/mm
Shelf Life:	24 months	VOC:	520g/l
Selling Unit:	EA	Customs Tarif Code:	3403 99 10
Hazard info:	Extremely Flammable	Pack=Each:	1
	Dangerous for the	MSDS:	Yes
	Environment	Replacing Product:	N/A
Temperature resistance:	-75°C to 200°C	Product Colour:	Clear
Dielectric content:	50Hz-10000Hz = 2.48	Consistency:	Paste
Volume resistivity:	15-400		

Associated Products

Health & Safety Information

**EXTREMELY
FLAMMABLE**

- S16 Keep away from sources of ignition - No smoking.
 S23 Do not breathe vapour/spray.
 S24 Avoid contact with skin.
 S51 Use only in well-ventilated areas.

WARNING: Pressurised container: protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray on a naked flame or any incandescent material.

In order to provide you with the most appropriate Personal Protective Equipment when using our products, KENT advises that you follow the guidelines on the packaging of the product before use. The guidelines are there for your protection and KENT provides a range of Personal Protection Equipment such as clothing, eye glasses, goggles, face shields and breathing apparatus, complying with the latest European legislation. If you require further advice then please phone our freephone number and we will be pleased to help you. Telephone: 0800 136925
